Section 8 Certificate Holders are Encouraged to Apply*

Any applicants with rental assistance subsidy, such as Section 8 or the state RAP program, are exempt from the household income requirement stated below and will be determined "income eligible" if the prospective tenant's rental subsidy plus any additional income they may have been sufficient to meet the rent and any utility obligations of tenancy.

**Please note that rental rates and income limits are subject to change based on annual updates to the Area Median Income*
